Bellevue's lunch program (Lunch Bunch) is a volunteer run program. We are excited to offer great lunches for the children that include healthy and fun choices.

This quarter we are continuing our new online ordering system. Included in this page are instructions for ordering, descriptions of the lunches and our local vendors, and a calendar view of the lunches. Please support our vendors when you can! And a huge thank you to Rod Kalpakoff for writing our online ordering program!!

- * Your order will be placed online, but you will need to pay by check or cash. Your total for your order will be indicated when you place your order, and

your payment should be delivered to the Lunch Bunch envelope in the office. Checks are payable to Bellevue Santa Fe Charter School or BSFCS. A single check in the amount for the whole family is fine. **ALL ORDERS ARE DUE BY FRIDAY, September 28, 2018**

- * Please keep in mind any field trips when ordering lunches.
- * A copy of the calendar of the lunch menu is attached to this email. Please print it to keep track of which days you have lunch if you don't order every day.

-
- * Smoothies are 12 ounces and a turkey & cheese sandwich is included. The smoothies do not contain dairy. Milk is not served with smoothies.
 - * A container of 2% or chocolate milk is **included** in the cost of the meals. An additional container of milk may be purchased separately for .50.
 - * Assistance is available, please see Holly or Lisa in the office.

* **Note** – Parent Volunteers are needed to pick up and/or serve. This is a fun way to get to know the kids and school community, and an easy way to fulfill your volunteer hours request. Please consider being a part of the Lunch Bunch Crew - Questions or comments, call Nancy Tejada at (559) 799-3286 or email at luv2dohair98@gmail.com

ONLINE ORDERING INSTRUCTIONS

Here are instructions on how to get into the system and start ordering.

- 1) Go to <https://login.salesforce.com/>
- 2) Log in with User Name = bellevue@bsfcs.org Password = Bulldog1
- 3) Click on the Students tab. You may go there automatically.
- 4) Towards the left top you will see "Students" and then "Home" underneath. Below that is "View". Click on the pulldown menu next to View and select the Forum list for your child.
- 5) A class list will appear. Click on your child's name.
- 6) There should be 2 menus for your child, one for each month.
- 7) Click "Edit" next to one of them.
- 8) Take a good look at this page. It lists the menu items by day of the month on the right. On the left, you select which items you would like to order. The "No Sauce" and "No Meat" options are available on each menu at the top. Keep in mind any field trips when ordering. Don't be concerned when you see "Past" in the right hand column, your payment from last quarter is not past due.
- 9) Click "Save" when done.
- 10) Do the same for the other 2 menus.

11) Notice after adding items and saving, the field Lunch Orders - Amount Due BSFCS gets updated on the Student's page.

12) If you have more than one child, go back to Student list for the other Forums, then place the orders for additional children.

13) Log out under the "Bellevue" icon at the top right side of page.

14) Write a check to BSFCS, drop it off in the Lunch Bunch envelop in the office and you are done!

**** ALL ORDERS ARE DUE BY Friday,
September 28, 2018**
